Dear Customer,

Thank you for your inquiry regarding IBOCO Corporation actions with respect to TSCA chemical restrictions. Please be advised of the following: ALL IBOCO PRODUCTS.

Under the structure of the TSCA regulation, IBOCO Corporation is a supplier of “articles” to our customers. We do not manufacture or supply “substances” or “preparations” and our articles do not involve the “intentional release of substances.” Ergo, we foresee no declaration obligation for the products we supply. IBOCO Corporation articles do not intentionally contain any of the 5 PBT chemicals listed under TSCA section 6(h) declared as per the candidate list released January, 2021.

Please feel free to contact us directly should you have further questions.

Regards,
