

IRT

Cable Tie Removal Tool

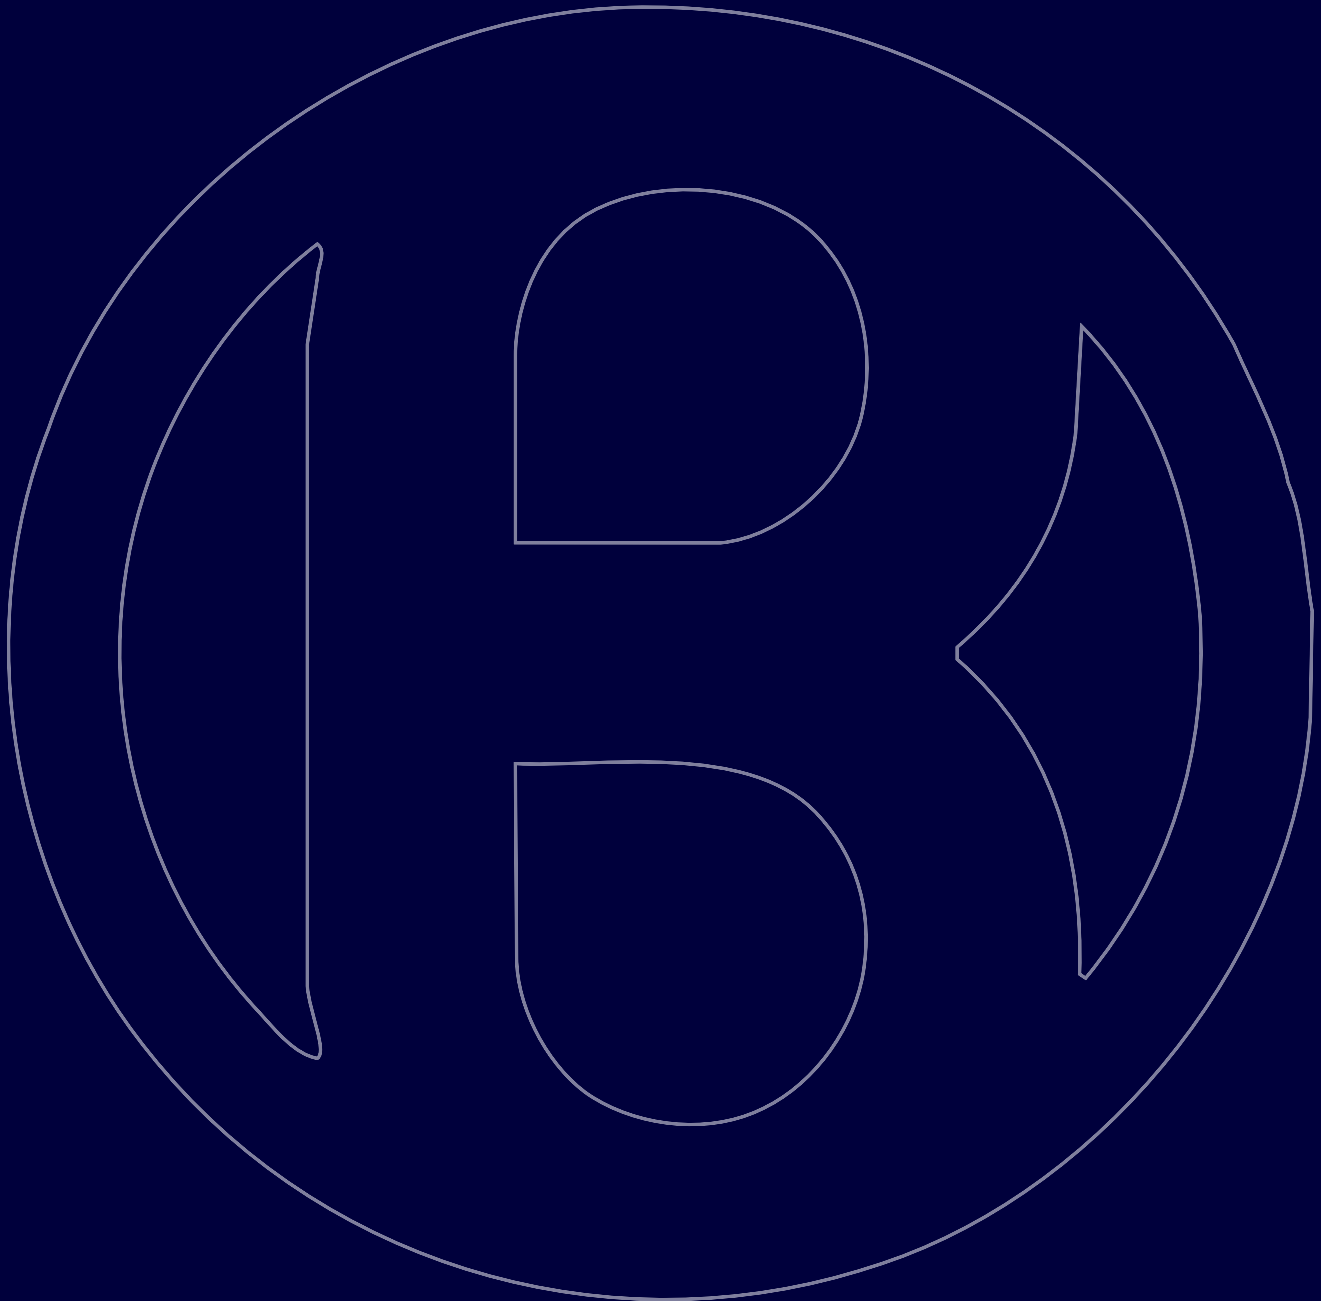

The IRT includes a built in 12-22AWG wire stripper!

IBOCO Cable Tie Removal Tool is designed for safely cutting cable ties off of bundles of wires. Using the wrong tool such as a pair of side cutters can result in wire damage or even severing the wire.

IBOCO's IRT Cable Tie Cutter is perfect for working in tight places such as behind patch panels, A/V systems and control panels, or other head end equipment. IBOCO's IRT is also perfect for cutting off cable tie tails flush; eliminate sharp dangerous edges on your cable ties.

Features:

- Fits All Cable Tie Sizes
- Scissor Action Cutters
- Safety Guard Ensures Bundle Protection
- High Quality Heat Treated Alloy Steel
- Auto Return Spring Handles
- Handle Lock for Storage
- Ergonomic Cushion Grip Handles
- Professional Quality
- MADE IN THE USA
